## “Let’s Talk Utah” Evening Session

November 3, 6:30 pm – 9:00 pm

The night session is new this year, we want to give everyone the opportunity to attend and receive this important information from our keynote speakers

### **Danny Holland — “True Lies”**

Danny has studied youth culture professionally for nearly two decades. His presentations have been endorsed by professionals from diversified backgrounds, including members of Congress, school administrators, and the 2002 President of National PTA. Danny will examine the top music artists, movies and video games of our day. He will also hit hot topics like modesty, sex, alcohol abuse, drugs, violence, and suicide while covering the entire spectrum of music. He will talk about the lies the media is screaming to this generation. When Danny is not speaking, he can be found working with teenagers in the public school system, reaching the most difficult teens. His love for teenagers has motivated him to devote his life to impacting and connection with them as well as teaching other caring adults how to do the same.

### **Mark B. Kastleman**

### **“Pornography, Is My Loved One Involved?”**

For over 20 years, Mark B. Kastleman has specialized in training and public speaking. As an author and researcher, Mark has written a variety of books, articles, newsletters and training programs. In 2001, after five years of research with leading neuroscientists, psychologists, therapists and recovering addicts, Mark has published the 2nd edition of his book, *The Drug of the New Millennium-The Science of How Internet Pornography Radically Alters the Human Brain and Body*
